As you play, Shredder keeps track of your performance and offers helpful tips. If you would like to take your training to the next level, there are over 1000 chess puzzles just waiting to be solved.. Next life in 0: 29 New app out now! Download for free! I absolutely L-O-V-E this app.

Chess has something to offer to anyone—from improved concentration and memory to new friends and experiences.. Originally released in 1993 by Stefan Meyer-Kahlen, a German programmer who invented a widely-used chess engine protocol called Universal Chess Interface, Shredder is a legendary chess program with 12 computer chess world champion titles under its belt.. You can either let Shredder shred you by cranking the difficulty setting all the way to the max, or you can take it down a few notches and have Shredder behave more like a human chess player.. To find human opponents or to enjoy a quick match against an AI, you don't need anything else besides your iPhone..

Illustrator Free For Mac What started in the 7th century India has eventually become the most popular board game in the world.

While ivory and wooden chess sets won't ever lose their appeal, most casual players have moved on to digital versions of chess.. After all, the current chess grandmaster and the current World Chess Champion, Magnus Carlsen, is still in his twenties, earning his grandmaster title in 2004, at the age of 13 years.. We have selected the most popular chess apps for iPhone in 2017, giving you several fantastic apps to choose from.. With its relatively simple rules yet seemingly infinitely complex tactics, chess attracts players of all age groups.. Master Chess Beautifully Magnus Trainer Play fun games and study interactive lessons that make chess easily available yet challenging enough for players of all levels.
