All tracks come in MP3 format and can be found in the "Music" section of your Steam library (mouse over the "Library" tab in the Steam app and then pick "Music"). Under the "Play Album" option, there is an option to "Show in System." If you select that option, you can see the album in a folder on your system. You are free to copy those music files or the entire album file to any of your other devices or music players. Make sure to copy the "The Short Story of a Drifting Labyrinth OST" file and not any of the other game files by accident.
