## About This Game

Brought to you by Charm Games, developers of the award-winning virtual reality adventures [FORM](#) and [Twilight Path](#), Trial by Teng combines our surreal and beautiful visual style with a delightfully offbeat vision of the afterlife.

Trapped in the Realm of the Dead and separated from your travelling companions, earn your way back to the land of Twilight by restoring your karma. Solve ancient and mythical puzzles. Seek help from an eccentric cast of supernatural characters.

Rescue your friends, open the Hellgate, and escape!

Charm Games is a small independent studio of industry veterans from Vancouver, British Columbia, Canada. The games we make are passion projects for our whole team, based on our shared belief that virtual reality can make the impossible possible. Since releasing our first game, FORM, we have been humbled by your support and enthusiasm. Please enjoy!
